These warranties do not cover damage caused by improper environmental conditions, indentations, scratches, lack of proper maintenance, use of unauthorized cleaning products, misuse, negligence, accidents, spiked/high heeled shoes, shoes not under proper repair, standing water beyond 72 hours, fire, erosion, pebbles, sand, other abrasives, and/or failure to protect the flooring material during move-in and/or other construction activities, indentations or damage caused by vacuum cleaner beater bars, rolling loads (i.e. wheelchairs, hospital beds, etc.), caster wheels, furniture without proper floor protectors or rests, dropping of metal or heavy objects, cuts, gouges, indentations, punctures caused by sharp objects, damage from mold due to prolonged exposure to moisture, or any damage caused when the flooring is exposed to extreme cold (beneath -20°F/-28°C) and/or extreme heat (above 140°F/60°C). Loss of gloss is not a warranted issue.

These warranties do not cover damage caused by use of the flooring for purposes other than those for which it was designed; damage caused by disasters such as fire, flood, wind, and lightning; damage during shipment; or any other abuse or misuse by the purchaser.

It is critical that all installations are completed in compliance with the procedures outlined in the Great Lakes Vinyl Floors installation instructions, which can be found in/on each carton of flooring. No damage or defects caused by improper installation, inadequate sub-flooring or improper sub-floor preparation or failure to provide a suitable installation environment are covered by this warranty. Failure to install your flooring in accordance with the instructions will void all warranties. Do not install if there are visible defects.

The sole obligation and liability of Great Lakes Vinyl Floors under our limited warranties is to repair or replace the floor, at Great Lakes' option. Only Great Lakes Vinyl Floors that were professionally installed will be eligible for labor cost reimbursement. If you installed the floor yourself, we will cover the cost of replacement materials only. (Any and all labor costs must be pre-approved by the Great Lakes Vinyl Floors Claims Department.).

These warranties EXCLUDE and will not pay consequential or incidental damages associated with any warranty claim. Great Lakes Vinyl Floors will not pay costs associated with relocation during the repair process such as hotel, meals, or moving and storage of furniture. This limitation does not apply to claims for personal injury. Great Lakes Vinyl Floors liability with respect to a claim for any damages arising out of or connected with the sale, purchase, use or performance of any products sold by Great Lakes Vinyl Floors will in no event exceed the price paid for the product. Some states do not allow limits on warranties, or on remedies for breach in certain transactions. In such states, the limits in this paragraph may not apply.

No warranty is provided for staining or changes in color caused by dyes tracked from carpets, fertilizers, road tar, driveway sealers, oil drippings or other similar materials; or products faded or discolored by sunlight or heat generation. No warranty is provided for variations of color, shade or texture of the floor purchased from those shown on samples, photographs, literature or advertising

material.

No warranty coverage is provided for flooring that contains obvious defects of any kind that were installed nonetheless. If, before installation, you discover any flooring that has obvious defects, please immediately contact the dealer from whom the flooring was purchased and replacement flooring will be provided at no cost.

Only Great Lakes Vinyl Floors approved cleaning products are appropriate for use on Great Lakes Vinyl Floors products.
